Any one of the above qualifies for a 10% discount on the order price, not including shipping or sales tax.

Tax:

Residents of Florida please add 6% Sales and Use Tax.

Other States: If your state requires you to pay Use tax on sales made outside your state or Commonwealth, it is your responsibility to send the amount of tax in to the appropriate Agency in your state. We will comply with requests for information from any state, and failure to properly file it could subject you to penalties. We do not collect sales or use tax other than Florida because that is all that current Florida law permits us to do. Our compliance with this law does not constitute approval of such laws.
